

EXHIBIT 20

**(Affidavit of Former Inmate K.
Moyer)**

STATE OF GEORGIA
COUNTY OF LAMAR

AFFIDAVIT

Before me, the undersigned Notary Public, appeared Krystal A. Moyer, who after being duly sworn does state on oath the following, to-wit:

1.

My name is Krystal A. Moyer. I am of sound mind and suffer from no legal or physical disability that would prevent me from giving this affidavit. I am over the age of 18 and give this affidavit under oath and based upon my personal knowledge.

2.

I am a former inmate at Clayton County Jail (Inmate ID 1199056) where I was detained on or about December 17, 2019.

3.

On or about that date, I fell off the top bunk in my cell, and broke my hip bone.

4.

I complained of extreme pain to Clayton County jail deputies and medical personnel, but my hip was not x-rayed until December 31, 2019. I was not given any pain medication during this period.

5.

Based on my current recollection, my x-rays identified 3 brakes in my hip. I underwent surgery on or about January 1, 2020, and pins were implanted.

6.

After surgery, Clayton County Jail refused to provide me with pain medication. I filed an inmate grievance on January 8, 2019.

7.

Attached as Exhibit A is my inmate grievance, used to refresh my recollection forming the basis of this affidavit.
